Varn ProWeb Platinum Plus

High performance web conditioner

Silicone emulsion for heatset web printing

Product Features

- Silicone emulsion is 35% solids and includes micronised wax to enhance slip
- Uses a new type of silicone technology to apply a lubricating film with lower migration into the paper surface
- Suitable for all types of heatset ink and paper
- Suitable for all application systems including Weko and Ecocool
- Very low coefficient of friction provides maximum slip
- Stable emulsion guarantees consistent application

Advantages of ProWeb Platinum Plus

- More efficient lubrication from patented technology means less silicone is required for the same protection
- Eliminates web marking even at low dosages
- All oils are manufactured by Flint for tailor-made press performance and consistency
- Contains waxes to magnify lubrication
- Low viscosity for improved transfer on applicator rollers
- Eliminates smearing, reduces streaking
- Prevents build up on path rollers, turner bars, former board, folder tapes etc.
- Improves post-print processes such as folding, cutting and stacking

Features	Advantages	Benefits
<ul style="list-style-type: none">• New patented silicone oil technology	<ul style="list-style-type: none">• Lower migration of oil into paper	<ul style="list-style-type: none">• More silicone at the surface = more slip
<ul style="list-style-type: none">• High performance	<ul style="list-style-type: none">• Lower dosage needed	<ul style="list-style-type: none">• Economical
<ul style="list-style-type: none">• Excellent lubrication protects ink film	<ul style="list-style-type: none">• Reduced scuff	<ul style="list-style-type: none">• Highest gloss is maintained
<ul style="list-style-type: none">• Uniform, microscopic particle size	<ul style="list-style-type: none">• Optimises lubricity	<ul style="list-style-type: none">• Performance plus economy

Available pack sizes	200 litre poly drum; 1,000 litre poly IBC.
Product code	KS10-030G.
Application	Dilute between 5-15% in tap water.
VOC content	Zero (100% VOC-free).
Flashpoint	Not flammable.
Approvals	None required for silicone; not regulated for storage or transport.

More products. Streamlined access. Greater results.

Flint Group's Print Media division offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

Inks and Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.

Rely on us for consistency, reliability and customer focus. Our aim is to make it easier for you to achieve your business goals. With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.

You are welcome to contact us for further information.
