Fast Fount Plus

Fountain solution concentrate

Fountain solution with drying stimulator for sheetfed presses

Product Features

- One-step sheetfed fountain solution with drying additive
- Accelerates the drying speed of conventional sheetfed inks
- Proven performance formula on all sizes and types of sheetfed presses
- Anti-calcium technology for trouble-free running when using coated stock
- Fully alcohol compatible

Advantages of Fast Fount Plus

- Ink dries more rapidly to a harder film, so work and turn speed is faster
- Can be used with all sheetfed conventional inks on any type of sheetfed press
- Allows reduced water setting so ink feed can be reduced, less piling on blankets, keeps rollers clean with no calcium build up
