# Pro-Kleen

Concentrated cleaner/degreaser

Specialist cleaner for all litho applications and press types

## Product Features

- Highly concentrated cleaner/degreaser designed for a wide variety of pressroom cleaning applications that require an aqueous cleaner with extra detergency and grease dissolving power
- Incorporates anti-redeposition and soil-suspending agents to ensure a bright finish
- Economical to use and can be applied manually or with automatic scrubbers
- Should be diluted for strength and can be used for a number of applications ranging from the removal of heavy ink deposits on covers and floors, through to slight soiling of press frames, and general office and paintwork cleaning

## Advantages of Pro-Kleen

- Non flammable
- Non corrosive to most metals (avoid contact with aluminium components)
- Removes ink, grease, and difficult to remove residues
- Will not affect most plastics, will not “fog” transparent covers on fluorescent light fittings

**Available pack sizes**

20 litre pails; 200 litre drums; 1,000 litre IBC

**Product code**

L014002

**Application**

Varn Pro-Kleen may be applied with a clean sponge, a cloth brush, or a sprayer. Allow to remain on surface for a few minutes, wipe away and flush off surface or remove with a clean cloth. Varn Pro-Kleen can be diluted down to the optimum concentration by hand or via a dosing system. Can be used neat but always test on an inconspicuous area of the surface before applying. Do not use on aluminium surfaces.

Suggested dilution rates:

- use at 1:9 dilution (10%) in water for general cleaning
- use at 1:2 dilution (~33%) in water for heavy duty cleaning
- use higher concentrations, or neat, for heavily soiled areas

May be used with a Varn water miscible wash for special applications

**VOC content**

0% (VOC free)

**Flashpoint**

Not flammable  
Non-DG – not regulated for storage or transport

**More products. Streamlined access. Greater results.**

Flint Group's Print Media division offers a uniquely powerful combination of products, services and expertise; giving you access to the industry's broadest range of pressroom products.

*Inks and Coatings. Pressroom Chemicals. Blankets. Sleeves. Consumables.*

Rely on us for consistency, reliability and customer focus. Our aim is to make it easier for you to achieve your business goals. With Flint Group products in your pressroom, you can run your business with confidence and peace of mind.
