Advantages of Novavit® F 100

• Extremely fast setting and fast oxidative drying at the same time
• Highest print sharpness
• Newest binder technology with optimized ink-water stability.
• High process stability
• Very high rub resistance
• Most rapid further processing
• Ideally suited for all kind of substrates

Product Features

• Novavit® F 100 is a fast oxidative drying, very fast setting process ink series.
• It is optimally suited for straight-line printing on all multi-color printing presses.
• The benefits of Novavit® F 100 are very fast setting, very rapid further processing, excellent rub resistance and good print sharpness.
