# Varn® MRC

Fast evaporating dampener and metering roller cleaner

**Specialist cleaner for all printing applications and press types**

## Product Features

- Varn® MRC is a powerful degreaser and ideal for bareback dampeners and other areas where fast evaporation is necessary to prevent wash contamination and hence slow start-ups due to scumming etc.
- Varn® MRC has been specifically formulated for press applications that previously required the now banned substances Trichloroethane or MEK.

## Advantages of Varn® MRC

- Ultra fast evaporation.
- Leaves no greasy residue.
- Powerful cleaning action.
- Removes dried ink.
- Contains no chlorinated solvents.
- Suitable for mixed application and conventional nitrile rubber compounds.
- Suitable for presses running conventional inks.
