# Duco<sup>®</sup> Headline

Unique construction, dedicated newspaper blanket

For single and double width newspaper presses

## Product Features

- The Duco<sup>®</sup> Headline newspaper blanket features an extra thick compressible layer ensuring that it survives all but the worst cases of smash damage.
- The ability to recover from severe over pressure situations means fewer stops for blanket changes and reduced downtime costs further enhances this product's value for money status.

## Advantages of Duco<sup>®</sup> Headline

- Durable, high density carcass.
- Versatile. Can also be used on presses not requiring packing.
- Excellent rebound characteristics.
- Particularly successful on blanket to blanket applications.
