Varn® Super Rubber Rejuvenator

Bring Overused Blankets Back to Life

Varn® Specialty Chemical: Cleaner & Rejuvenator

Varn® Super Rubber Rejuvenator quickly deglazes rubber while restoring new life and printability to even the most glaze-blocked blankets and rollers. This excellent rejuvenator will pay for itself many times over in increased productivity. Varn deglazers and rejuvenators are the key products in our press proven maintenance systems, and are used in combination with a Varn prime water miscible or environmental wash for superior maintenance results.

Advantages of Varn® Super Rubber Rejuvenator

- Adds thousands of quality impressions to your blankets
- Removes embossing
- Leaves blankets and rollers velvety smooth and ink receptive
- Controlled absorption rate
